

Emotional Intelligence EQi 2.0 360 Leadership Executive Coaching Program™

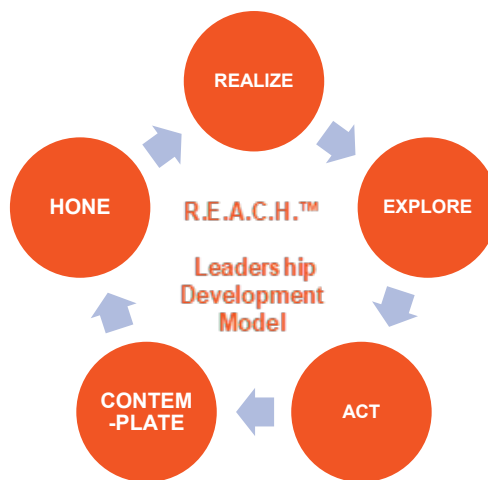

This program combines one-on-one executive coaching with the industry-leading EQi 2.0 360 Leadership assessment and other tools to help our client achieve professional and personal growth through insight, visioning, real-world practice, reflection, and positive accountability. Using our **R.E.A.C.H.**™ Leadership Development Model, our approach to executive coaching is a personalized and positive experience aimed at helping our client become the best version of themselves in order to achieve their most important goals and objectives, which are co-created with their immediate supervisor and coach.

Program Overview

- ✓ Free discovery and chemistry session with coach and the leadership coaching client
- ✓ Kick-off meeting to align desired outcomes with the goals of the client, client's immediate supervisor and the organization
- ✓ Conduct six 1:1 coaching sessions over three months or twelve 1:1 coaching sessions over six months via Zoom
- ✓ Facilitate EQ Leadership 360 assessment; debrief client on assessment report and aggregated Q&A responses from raters; 360 report sent to supervisor if company-sponsored while detailed session content is kept confidential
- ✓ Action planning meeting with client and supervisor; high-level coaching summary reports sent to supervisor monthly
- ✓ Additional surveys and tools may be used which the coach and client deem helpful during the engagement
- ✓ Wrap-up meeting with client and supervisor to close the program and celebrate the client's learning and growth
- ✓ Mid-level executive pricing emamples: \$5,500 for 3-months / 9-sessions or \$8,500 for 6-months / 14-sessions
